International Driver Recognition Day

Driver Nomination Instructions

On September 22nd, 2010, IATR will host its International Driver Recognition Ceremony as part of its 23rd annual conference, which is being held this year in Chicago. We are excited to announce changes to this year's Ceremony and selection process. Two drivers will be recognized with awards and given the opportunity to address attendees. The Ceremony will take place during a breakfast reception on the final morning of the conference.

IATR is calling on its members to submit nomination forms for the following two awards:

- Driver of the Year Award
- Lifetime Achievement Award

We encourage you to nominate drivers within your jurisdiction who have shown exemplary service in the last year (2009 to date), as well as drivers who have proven over the course of a career to be a model for all drivers. Please review any nominated driver's history and ensure the record of the driver is exemplary.

Forms are attached. Please complete all questions. **DEADLINE FOR NOMINATIONS IS JULY 16, 2010.** The IATR board will review the nominations and pick a winner for each of the two categories. All nominating members will be contacted by July 30, 2010, with notice of the winners. Both winners are encouraged to attend the International Driver Recognition Ceremony and briefly address the conference attendees. If a winner is unable to attend, the nominating agency is expected to receive the award and address the attendees.
