

2010 IATR Membership Form (Renewal and New Member)

Version 2

IATR has updated its fee structure for 2010, to simplify the registration process. IATR registrations are now done on a jurisdiction/agency basis. This year, each jurisdiction will complete only one registration, and pay only one fee of **\$525**. For many jurisdictions this will mean a **\$0** increase – for some it is a decrease! This new approach will allow you to register as many staff as you like for IATR benefits, including member rates for the conference. For **small jurisdictions (population of <250,000)** we will continue to offer our individual member rate of **\$380**, to keep IATR membership affordable for all. **All memberships are ANNUAL (January to December). There is no pro-rating.**

<p>Government Regulator Member Corporate Rate: \$525 This membership is limited to a government body and/or governmental regulatory authority.
