CA: (905)228-2091

>> WHO WE ARE

[Click for more Information](#)

IATR is a growing peer group of taxi, limousine and for-hire transportation regulators, dedicated to improving the practice of licensing, enforcement and administration through the sharing of information and resources.

>> MEMBERSHIP CATEGORIES

NEW FOR 2010 - IATR has updated its fee structure for 2010, to simplify the registration process. IATR registrations for regulators and associated suppliers are now done on a corporate basis – one fee per agency. This year, each jurisdiction will complete only one registration, and pay only one fee of \$525US. For many jurisdictions this will mean a \$0 increase – for some it is a decrease! This new approach will allow you to register as many staff as you like for IATR benefits, including member rates for the conference.

- ⊗ For small jurisdictions (population of < 250,000) we will continue to offer our individual member rate of \$380US, to keep IATR membership affordable for all.
- ⊗ All memberships are ANNUAL (January to December). There is no pro-rating.

GOVERNMENT REGULATOR MEMBER CORPORATE RATE: \$525

- ⊗ This membership is limited to a government body and/or governmental regulatory authority. This membership entitles the agency to name one official as a regular member representative. The named official has the right to hold office.

ASSOCIATE MEMBER: \$650

- ⊗ This membership is for organizations
- ⊗ (Note – Membership for Associates is included, in all Sponsorship packages. Please visit www.iatr.org for sponsorship package details.)
- ⊗ This membership is available to companies who support the practice of transportation regulation through their products and services. Associate members are not eligible to vote or hold office.

>> MEMBERSHIP BENEFITS

Save staff time and start your research and investigation of best practices with member-only access to the IATR website. [Joining IATR is like getting a staff person for \\$525 a year.](#) IATR membership is particularly beneficial for regulators that oversee taxis as part of their larger mandate. If your administrative, licencing, enforcement and research staff are responsible for more than one ordinance, bylaw, code or industry, then IATR's member services are designed for you. Through the IATR website members gain access to:

- ⊗ A directory of key personnel in other jurisdictions, to help you reach the right contact when you need a peer
- ⊗ A searchable database of operational statistics, performance measures, and regulatory initiatives, to help you sort and easily locate like-minded jurisdictions.
- ⊗ A library of reports, and studies undertaken by other jurisdictions.
- ⊗ A monthly newsletter reporting on newsworthy events in other jurisdictions
- ⊗ The ability to have a survey sent to all IATR members, to give you the data and answers you need
- ⊗ Each year, IATR holds a highly successful annual conference. For three days, regulators from around the world share perspectives, experiences, statistics and even a laugh or two.
